

Cuddington & Sandiway Tennis Club

Senior Tournament 2016

Playing Rules

- All entrants must be fully paid-up members of C & S Tennis Club.
- The draw will be as circulated and published in the Clubhouse, and cannot be amended except by agreement with and at the discretion of the Tournament Committee.
- Contact details for entrants are posted in the club house. If you have any problem contacting a player please ring the tournament organiser (below).
- **The first named player in any game in the Draw will assume responsibility for arranging the time and date of the game and the second named player will be responsible for providing the tennis balls.**
- **All games will be decided by the best of 3 sets, the first 2 sets only to be settled by a tie break if necessary. Please write your result on the draw on the Club notice board immediately.**
- All games must be played by the date specified. If not the Tournament Committee will draw the winner/winners out of a hat. The Tournament Committee's decision will be final.
- If any player is injured or knows they cannot play by the specified date they must withdraw. After 3 refusals to agree a date the player(s) must scratch. This is fair to other players and for the benefit of the smooth running of the Tournament.
- The Tournament Committee will arbitrate on any disagreements that cannot be resolved by the players. Once again the Committee's decision is final.
- **Matches must not be arranged during official Junior Club events or during Senior Club nights before 7.30pm (see Club notice board for court availability).**
- A player can be substituted for another if no games have been played by the original player.

- If a player/players have to withdraw, then the player/players that they previously played go through to the next round.

Thank you for entering the Tournament and GOOD LUCK!
